

## Consider A Career with Us!

Northwood Deaconess Health Center Northwood, ND

### **Full-time Pediatric Physical Therapist: Immediate Opening**

Looking for an experienced pediatric Physical Therapist to join our practice in a progressive rural facility. Join a team of PT's and OT's, both with specialty certifications in Sensory Integration who provide consultation throughout a tri state region, and help us expand our growing treatment services to offer orthopedic, neurological, and other developmental interventions. Utilize the Universal Treatment cage for state-of-the-art interventions. Offer supervisory and evaluation services to local school districts through a contract with an area special education unit. If you are playful, sensitive, creative, and dedicated to providing over-the-top service to families, we'd love to hear from you. Referrals to our rural facility come from as close as across the street, to as far away as Mayo Clinic.

5 Physical Therapists, 2 PT Assistants, 2 Occupational Therapists, one OT Assistant, 2 Speech Pathologists, a Cardiac and Pulmonary Rehab Nurse, Rehab and Restorative Aides and Secretaries.

We believe rural practice does not have to be a limited practice. Develop Your practice with us.
