Full-time Pediatric Occupational Therapist ~ Available May 14

Looking for an experienced pediatric Occupational Therapist to join our practice in a progressive rural facility. Join a team of therapists with specialty certifications in Sensory Integration who provide consultation throughout a tri state region, and help us expand our treatment services to offer feeding, neurological, handwriting, and other developmental interventions. If you are playful, sensitive, creative, and dedicated to providing over-the-top service to families, we'd love to hear from you. Referrals to our rural facility come from as close as across the street, to as far away as Mayo Clinic.

NDHC's Rehab Services Department employs 3 Occupational Therapists, one OT Assistant, 5 Physical Therapists, 2 PT Assistants, 2 Speech Pathologists, a Cardiac and Pulmonary Rehab Nurse, Rehab and Restorative Aides and Secretaries.

We believe rural practice does not have to be a limited practice.
